Through our successful and long affiliation with Big Noise:

The National Academy of Recording Arts & Sciences Committee has placed MCR on the Official Ballot For the 2006 Grammy Awards

MCR guitarists and songwriters John and Anthony Florio are the only Father & son rock guitarists in Grammy history to be placed on the ballot together.

Thank you to all our Fans, club owners, our producers, and the rock press who have supported us for the last 17 years.
